## 7 CHICAGO THE WIT

The hotel earns its name with wake-up calls from Ann Landers, Mayor Richard Daley, and President Obama (reasonable impersonations of them at least). The Wit earns its high-end cred for having its own movie theater and

for Roof lounge. Located on historic State Street, The Wit is prepped for business with 7,000 square feet of meeting and banquet space. Little details like warm chocolate chip cookies at the reception desk make for a warm and inviting stay. Rooms from \$199. [thewithotel.com](http://thewithotel.com)
